

	SAFETY MANAGEMENT SYSTEM	DEK-SMS-002 REV. 03
		Doc. Creation Date 15/01/2018
Next Revision Date: 15/01/2019	ENVIRONMENTAL POLICY	

I, M Kirn, Managing Director for DEKRA Industrial RSA (PTY) Ltd; A Non – Destructive Testing Company that works on various Power Stations and Petro Chemical plants around South Africa will be committed together with my management team to strive for excellence in all that we do.

DEKRA Industrial RSA (PTY) Ltd. recognises the impact that our business activities may have on the environment the community. We are committed to the **“Zero Harm Everyday”** Policy,

We will implement and maintain as far as reasonably practicable the activities of our business in such a manner so as not to harm and damage the environment.

DEKRA Industrial RSA (PTY) Ltd. strives to provide such services in a responsible manner that minimizes any negative impact upon the environment.

Whenever possible and within the sphere of our business influence, DEKRA Industrial RSA (PTY) Ltd. is committed to continuously improve the environment by striving for zero pollution and making an impression with regards to our carbon footprint and continuous dedication to the environment.

All DEKRA Industrial RSA (PTY) Ltd. employees shall comply with the relevant environmental legislations.

We will achieve this by:

- ⇒ Minimising our waste and other adverse environmental effects.
- ⇒ Preventing pollution through the segregation and controlled disposal of waste, source reduction and elimination where possible.
- ⇒ Recycling of waste for reuse and recovery of waste where possible.
- ⇒ Monitoring and documenting our environmental management plan through monthly self-audits and the effective communication of procedures, requirements and the expectations to all employees.
- ⇒ Continually improving our operations by applying the principles of lessons learnt from past incidents.
- ⇒ To provide ongoing training to improve the knowledge of our employees.
- ⇒ To communicate this policy to all persons that works for, or on behalf of DEKRA Industrial RSA (PTY) Ltd.

We shall set an example to all our clients in the field of environmental management.

This policy will be reviewed annually from the effective date or by a date set by myself, M Kirn, the Managing Director of DEKRA Industrial RSA (PTY) Ltd.

M Kirn
Managing Director
DEKRA Industrial RSA (PTY) Ltd.
